

If You Love the Earth
Song to the tune of: Polly Waddle Doodle All the Day

If you love the Earth
You don't litter
So if you see litter, pick it up.

If you litter you are called a litter-bug
So litter is a bad thing to do!

Love the Earth
Love the Earth
As much as you love your family!

We should all recycle
and plant more trees.
Help make our world look better!
