Why I Love the Earth and How I protect the Earth

By Tali Dardashtian

Tune: Beautiful by Christina Aguilera

Everyday is so beautiful,
The earth is too, the earth is too,
I smell the flowers and it's wonderful,
So keep earth clean, and green,
The earth is beautiful
The earth is your home,
Le...ts clean the earth,
So recycle plastic bottles,
And plant lo..ts of trees,
Oh, yeah...
The earth is beautiful today!
